

**CONTROLLED SUBSTANCE.**  
**DANGEROUS UNLESS USED AS DIRECTED.**  
CAUTION: Federal law prohibits the transfer of this drug to any person other than the patient for whom it was prescribed.

## Send Controlled Substances Prescriptions Electronically

With **EPCS Gold 2.0**, healthcare providers no longer have to switch between electronically written prescriptions for non-controlled substances & legend drugs and inefficient and time consuming paper prescriptions for controlled substances\*.

### What is EPCS Gold 2.0?

- EPCS = Electronic Prescribing of Controlled Substances
- The first-ever fully compliant solution that allows physicians to send e-prescriptions for controlled substances and meets the requirements set by:
  - Surescripts
  - The Drug Enforcement Administration (DEA) requirements enforced through the Interim Final Rule (IFR)
  - Identity Proofing requirements set by the National Institute of Standards and Technology (NIST)

### How Will EPCS Gold 2.0 Benefit Your Practice?

- Prescribe schedule II-V drugs\* electronically, along with non-controlled drugs, through one workflow
- Check controlled drugs for clinical alerts
- Help eliminate potential transcription errors that can compromise the patient's welfare
- Assist with the prevention of fraud and drug shopping including the misuse and diversion of controlled substances

• • •

\* Some states restrict or prohibit the use of electronic prescriptions for controlled substances.
