Integrate the PracticePlanners<sup>®</sup>  
Treatment Planning Content  
into QuicDoc<sup>®</sup>

Over  
1 Million  
Copies Sold

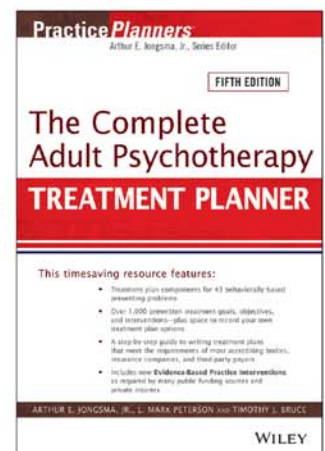

**“...has all of the short-term and long-term goals, interventions, and definitions that make it truly the industry standard in treatment planning!”**

—Todd Wagner, Substance Abuse Manager,  
Inland Counseling Network

**“... has allowed our staff to create ‘best practices’ documentation and spend more time with the patient and less time with the paperwork.”**

—Roxann Browne, MA, CDP, NCAC II

- Meets the requirements of most accrediting bodies, insurance companies, and third-party payors
- Thousands of customizable pre-written treatment statements help clarify, simplify, and accelerate the treatment-planning process
- Supports your patient-centered treatment philosophies
