Setting up a CPT Code with a Modifier

1. Click on **View** menu. Select **Procedure Codes**

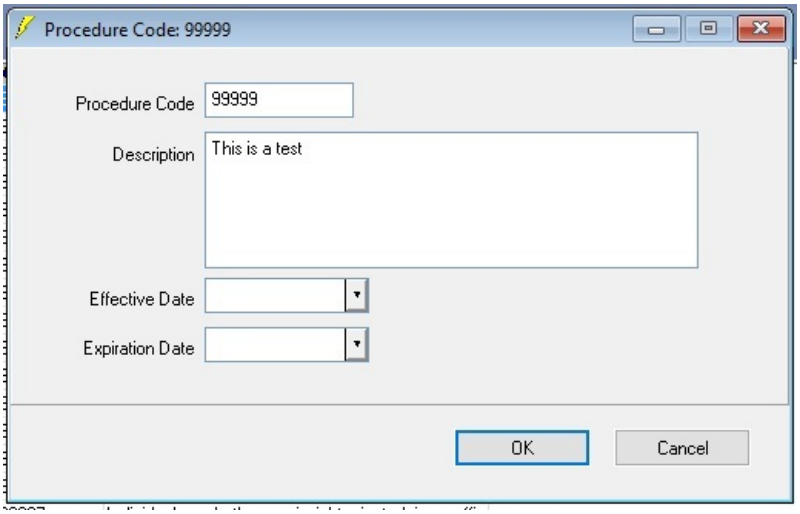

2. Click on **Add** button

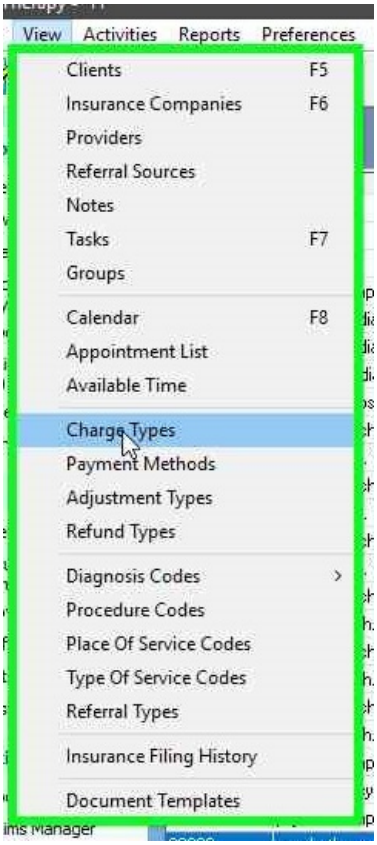

3. Enter the **Procedure Code name** and **Description**.

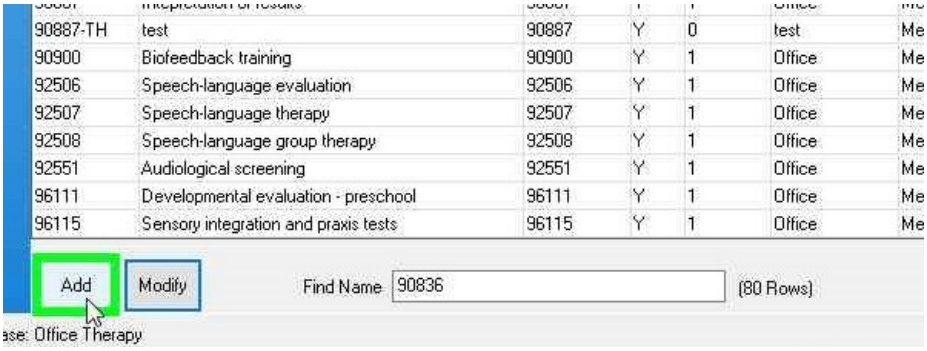

*Recommendation: You do not need effective and expiration dates. This is a user preference.

4. Click on **View** menu. Select **Charge Types**.

5. Click on **Add** button

6. Fill out the **fields**. The **Modifier** will be placed in **Box 24d.** Click **Ok**.

*Recommendation: Use the modifier in the Name but not in the Procedure
